

IN RECOGNITION OF

GARBO

Great and Respectable Black Organization Social Club

"THIRTY FIFTH ANNIVERSARY"

At Snowden Funeral Home, we believe the service that we provide in our community is a ministry. A ministry of assisting bereaved families in the very first hours and days of grief. Our initial objective is to help alleviate the uneasiness, for the families we serve, by guiding them through the plans for the end of life celebration of their loved one. Our ultimate goal is to support the families that we serve, progress through the healing process.

Message from the President

The Great and Respectable Black Organization (GARBO) welcomes you to our 35th Anniversary Celebration. I am amazed that 35 years have past since this great organization was formed. Looking back, I can say that many of us present here tonight can recall some of the wonderful times we shared at Garbo sponsored events. Some of you were present at that wonderful Garbo 10-Year Anniversary Celebration held at the Damascus Fire Hall in 1990. The men and women of Garbo are so grateful that 25 years later you have joined us for this special occasion and I know you are going to let the good times roll.

As the spoke person for Garbo, I thank all of you for supporting this Organization over the years. The Garbo Men also gives a hardy thank you to our wives and family members who have been key figures in helping us sustain this longevity and success; however, none of this would have been possible without the grace and mercy of God.

Our Gospel Singers continue to participate in various programs supporting many churches and non-profit organizations within the region. The Garbo Singers are proud to be celebrating its 25th Anniversary on April 26, 2015 at 3:00pm at Mother Seton Catholic Church located at 19951 Father Hurley Boulevard, Germantown, MD. Several Choirs within the community will perform at the event and I encourage each of you to join us on this special day. I assure you that your spirits will be uplifted.

The Garbo Scholarship Fund has helped many students from Frederick and Montgomery Counties over the past 34 years fulfill their dreams of pursuing a college degree. These kids are so inspiring and extremely talented. We must continue to assist them with their financial obligations since an investment in our children is an investment in our future. Each of you can help with this endeavor by supporting our fundraising events or by making a donation to the scholarship fund. The Garbo Memorial Scholarship Fund is named in honor of three of our deceased members, specifically, Craig Hackey, Wellington Page and Eugene Plummer.

Thanks to the work of Jeryll Dorsey, the Garbo Social Club now has a web-site which is designed to give you up-dated information regarding Garbo, Church and Community activities. We invite all of you to use our web-site to post your up-coming community and church events. For more information about our choir and social club, please visit our website at www.garbosocialclub.org.

Finally, the five requirements for Garbo membership are God first, family second, excellent on the job, community service, and individual character. These requirements were not chosen at random but are the core of a fulfilled and fulfilling 35 years.

As Garbo continues its journey, we look forward to a fruitful partnership with each of you, our supporters, now and in the future. May God continue to bestow his blessing upon us all?

Sincerely,

Larry Plummer,
President 2015

GARBO History

Presented by: Donny Ambush and Larry Plummer

Garbo was founded in December 1979 by a group of baseball players from the Germantown Giants and softball players from Montgomery County who played in the Gaithersburg City league. Since 1979 was the last year that the Germantown Giants played baseball in the Maryland State League, the team felt a pressing need to continue the camaraderie they shared for over 20 years playing baseball. These men decided to organize a softball team and play in the City of Rockville League. In the early 1980's, The softball team decided to become an organized Social club and elected its first Officers and developed a verbal outline on how the organization would be structured. The rules were clear; the social club and ball team would be self-supportive while each member was to be a respectable person on and off the ball field.

At the first official membership meeting, the members decided that the club needed a name. They agreed on the name of "Garbo" which stands for garbage or old funky baseball players (hence the trash can logo). The members later decided that the name Garbo would serve as an acronym for "Great and Respectable Black Organization".

By 1980, many of the Black entertainment establishments had closed in Montgomery County, Md. Meeting people and having a good time socially became increasingly difficult for Black people residing in the county. Garbo quickly recognized the need to sponsor quality social events through its own need to raise money and to bring the Black community together to have fun. They began to sponsor picnics, ballgames, dances, and cruises. All of these social events were very successful so the membership decided to give back to the community that was so supportive to them.

Garbo played softball in the City of Rockville League for 16 years playing against other black teams such as Skill Hill, Snowdens, and A.J. Trucking while winning several division titles and one City championship. They also sponsored many successful dances at the Montgomery County Fairgrounds, which now has been replaced by the classic Anniversary Dance held each spring since 1990. The Anniversary dance is now recognized as the premier social event for Black people in this region.

A major highlight for the organization was the sponsoring of three cruises, the first in 1987 and two in the early 1990's. All the family and friends of Garbo who went on these cruises said they had the best time of their lives.

Garbo is most proud of the Gospel Singers, which has been singing since 1990. Members of the Gospel Singers are comprised of Garbo Social members, their families and close friends. The choir is interdenominational with member of the Catholics, Methodist and Baptist faith. The Choir performs in many of the local church sponsored events in the region to help raise needed funds. The Garbo Singers also enjoy performing at their friends' parties singing oldies but goodies.

Our members are equally proud of our scholarship program that has been in existence since 1981. Thousands of dollars have been donated to deserving students in Montgomery and Frederick Counties. The Scholarship Fund has been renamed in honor of three of our most dedicated members who have passed on, Craig Hackey, Wellington Page and Eugene Plummer. Garbo family recently lost another family member; Linda Thomas. Her Spirit will live in our hearts always. Our

Garbo also supports youth groups, churches and families in need. It has been a long-standing tradition of the organization to give Thanksgiving and Christmas baskets to needy families each year.

Only three Charter Members of Garbo still remain active in this great organization and have made significant contributions to its success over the past 35 years. They are Francis Beckwith, Angelo Perkins and Larry Plummer. Their enthusiasm toward the mission of Garbo has lead to an outstanding current membership of Brotherhood. The current 19 members and four honorary members stand ready to keep the Garbo tradition alive for many years to come.

Garbo's 35 years of success is attributed to its motto of "God first, the family second, then the community". For God, our families and the community have been most supportive.

In Memory of Craig S. Hackey Sr.

Craig Hackey served as the Garbo treasurer from January 1980 to March 2002 and never missed a meeting. He played baseball for the Germantown Giants for many years and for the Garbo softball team for 15 years. He was also a member of the Garbo Gospel Singers and sang bass.

Craig was one of the most popular and respected members of Garbo most noted for his wittiness. He was a great horseshoe pitcher and loved to play cards.

Craig and his wife Elise (Potsy) Hackey have four children; Annette, Stephanie, Craig J. and Brooke.

Potsy is the only honorary member of Garbo. She regularly participates in Garbo events and has been one of their strongest supporters.

In Memory of Henry Wellington Page

Henry Wellington Page (Satch) was one of the original Garbo members who was a leader and very dedicated to the mission of the organization. He served Garbo as their President and Chaplain. Henry also played baseball for the Germantown Giants for 22 years and continued to play on the Garbo softball team until the age of 56 years. He was a member of the Garbo Gospel Choir and was most noted for his deep bass voice.

Satch was known as one of Garbo's wise men. He use to say that it takes two years for the Garbo members to figure out what he and Larry Plummer were trying to tell them.

Wellington has his two children, Stephanie Taylor and Wellington (Duricgue) Page and a dedicated friend, Delores Taylor. Satch also loved to play horseshoes and cards and Gardening.

In Memory of Eugene Plummer

Eugene Plummer “Tarzan” served as the Sergeant of Arms for Garbo for many years. He was a member of the Garbo softball team and a faithful charter member of the Garbo Gospel Singers and sang bass. His former wife Maude Plummer (deceased) was a key figure in the creation of the Garbo Singers in 1990.

Gene was an excellent Equipment Operator for the Maryland State Highway Administration and retired after 38 years of service. He was a dedicated member of the Pleasant Grove Christian Church and a member of the James E. Stewart Masonic Lodge # 49 located in New Market, MD.

Members Message

The Lord has truly blessed the GARBO Family and we have treasured our 35 years of close relationship with the Great and Respectable Black Organization. GARBO has been like an extended family to both of us. The members and their wives have gathered at our home over the years to have meetings, to party and to have choir rehearsal and we still enjoy these special moments.

It gives June and I great pleasure to recall the fun- times of the past, playing softball, cruising and singing do-whop and Gospel music. The GARBO guys won't admit it but I would always beat them at cards and horseshoes.

As we enjoy today's celebration, we must remember that the attainment of Garbo's longevity is not an individual achievement. We did not get to were we are on our own for our families, friends and supporters have encouraged us along this 35 year journey.

We congratulate Garbo and thank God and all of you who support us. We wish each of you long life, good health and prosperity.

June and Larry Plummer

Congratulations to our Garbo Family

Garbo, I pray that God will bless you as much as you've blessed George and me. I thank him for your gifts, shared from a heart of love.

I pray that God would touch you in a very special way and fill you more with his love each and every day.

We treasure being honorary Members of the Great and Respectable Black Organization and we thank you for all you do for the African American community.

We wish you continued perseverance and future success.
