MESSAGE FROM THE PRESIDENT

The Great and Respectable Black Organization (GARBO) welcomes you to our 30th Anniversary Celebration. We want this special festivity to be cherished by everyone present here tonight. Let's all strive to have a wonderful time and make this celebration as memorable and historical as the blizzard of 2010.

This is a grand occasion and a great opportunity to reconnect with people who have been involved with this special group for many years, as well as, meet new friends on our journey to building a positive future for our community together. Thanks to our wives, our families, and all of you for continuously advocating this organization. GARBO has been blessed for 30 years because we are true to our motto God first, family second, then employment and followed by community involvement.

The Great and Respectable Black Organization Gospel Singers continue to host various programs and support many of the interdenominational churches within the region. The Gospel Choir sang at the funerals for two of our previous dedicated members, Craig Hackey and Wellington Page. In addition, whenever my wife Debra Plummer ministers God's word at various churches, the GARBO Gospel Choir has accompanied her to provide the ministry of music. The GARBO Singers are proud to be celebrating 20 years of praising the Lord.

GARBO has a commendable memorial scholarship fund, named in honor of Herbert Brown, Lynn Plummer and Edith Throtmorton. We should all be proud that the scholarship fund has helped many students from Frederick and Montgomery Counties fulfill their dreams in pursuing a college degree. Beginning this year, the GARBO memorial scholarship fund will be renamed in honor of two of its most dedicated and former members who have past on, Craig Hackey and Wellington Page.

As GARBO continues its journey with you, we pledge to support various community projects, and sponsor fun-filled bus trips, picnics and seasonal festivities. We will never forget our heritage as we continue to be a viable source of community, social and gospel involvement. GARBO takes great pride in maintaining a reputation of being a Great and Respectable Black Organization.

For more information about our choir and social club, please visit our website at www.Garbosocialclub.org.

God bless you and we pray that all of you enjoy our 30th year Anniversary Celebration.

Sincerely,

Gregory Plummer
President 2010

GARBO History

Presented by: Larry Plummer

Garbo was founded in December 1979 by a group of baseball players from the Germantown Giants and softball players from Montgomery County who played in the Gaithersburg City league. Since 1979 was the last year that the Germantown Giants played baseball in the Maryland State League, the team felt a pressing need to continue the camaraderie they shared for over 20 years playing baseball. These men decided to organize a softball team and play in the City of Rockville League. In the early 1980's, The softball team decided to become an organized social club and elected its first Officers and developed a verbal outline on how the organization would be structured. The rules were clear; the social club and ball team would be self – supportive while each member was to be a respectable person on and off the ball field.

At the first official membership meeting, the members decided that the club needed a name. They agreed on the name of “Garbo” which stands for garbage or old funky baseball players (hence the trash can logo). The members later decided that the name Garbo would serve as an acronym for “ Great And Respectable Black Organization”.

By 1980, many of the Black entertainment establishments had closed in Montgomery County, Md. Meeting people and having a good time socially became increasingly difficult for Black people residing in the county. Garbo quickly recognized the need to sponsor quality social events through its own need to raise money and to bring the Black community together to have fun. They began to sponsor picnics, ballgames, dances, and cruises. All of these social events were very successful so the membership decided to give back to the community that was so supportive to them.

Garbo played softball in the City of Rockville League for 16 years playing against other black teams such as Skill Hill, Snowdens, and A.J. Trucking while winning several division titles and one City championship. They also sponsored many successful dances at the Montgomery County Fairgrounds, which now has been replaced by the classic Anniversary Dance held each spring since 1990. The Anniversary dance is now recognized as the premier social event for Black people in this region.

A major highlight for the organization was the sponsoring of three cruises, the first in 1987 and two in the early 1990's. All The family and friends of Garbo who went on these cruises said they had the best time of their lives.

Garbo is most proud of the Gospel Singers, which has been singing since 1990. Members of the Gospel Singers are comprised of Garbo Social members, their families and close friends. The choir is interdenominational with member of the Catholics, Methodist and Baptist faith. The Choir performs in many of the local church sponsored events in the region to help raise needed funds. The Garbo Singers also enjoy performing at their friends' parties singing oldies but goodies.

Our members are equally proud of our scholarship program that has been in existence since 1981. Thousands of dollars have been donated to deserving students in Montgomery and Frederick Counties. The Scholarship Fund has been renamed in honor of two of our most dedicated members who have passed on, Craig Hackey and Wellington Page.

Garbo also supports youth groups and needy families in the area. It has been a long-standing tradition of the organization to give Thanksgiving and Christmas baskets to needy families each year.

Only four Charter Members of Garbo still remain active in this great organization and have made significant contributions to its success over the past 30 years. They are Francis Beckwith, James Moten, Angelo Perkins and Larry Plummer. Their enthusiasm toward the mission of Garbo has lead to an outstanding current membership of Brotherhood. The current 19 members and one honorary member stand ready to keep the Garbo tradition alive for many years to come.

Garbo's 30 years of success is attributed to its motto of “God first, the family second, then the community”. For God, our families and the community have been most supportive.

The men of GARBO are proud to celebrate our 30th anniversary with you, our many supporters.

Thank You!

**The GARBO Gospel Singers congratulate GARBO on celebrating
30 years of community service**

In Memory of Craig S. Hackey Sr.

Craig Hackey served as the Garbo treasurer from January 1980 to March 2002 and never missed a meeting. He played baseball for the Germantown Giants for many years and for the Garbo softball team for 15 years. He was also a member of the Garbo Gospel Singers and sang bass.

Craig was one of the most popular and respected members of Garbo most noted for his wittiness. He was a great horseshoe pitcher and loved to play cards.

Craig and his wife Elise (Potsy) Hackey have four children; Annette, Stephanie, Craig J. and Brooke.

Potsy is the only honorary member of Garbo. She regularly participates in Garbo events and has been one of their strongest supporters.

In Memory of Henry Wellington Page

Henry Wellington Page (Satch) was one of the original Garbo members who was a leader and very dedicated to the mission of the organization. He served Garbo as their President and Chaplain. Henry also played baseball for the Germantown Giants for 22 years and continued to play on the Garbo softball team until the age of 56 years. He was a member of the Garbo Gospel Choir and was most noted for his deep bass voice.

Satch was known as one of Garbo's wise men. He use to say that it takes two years for the Garbo members to figure out what he and Larry Plummer were trying to tell them.

Wellington has his two children, Stephanie Taylor and Wellington (Duricgue) Page and a dedicated friend, Delores Taylor. Satch also loved to play horseshoes and cards and Gardening.

As a pillar on our community for more than 100 years,
we at Snowden Funeral Home commend

GARBO

Great and Respectable Black Organization Social Club

On its 30th Anniversary

and being an example of its motto
"God first, the family second, then the community".

Members Message

The Lord has truly blessed the GARBO Family and we treasure our 30 years of friendship with this great organization. GARBO has been like an extended family to both of us. The members and their wives have gathered at our home over the years to have meetings, to party and to have choir rehearsal and we still enjoy these special moments.

It gives June and I great pleasure to recall the fun-times of the past, playing softball, singing do-whop, and cruising. The GARBO guys won't admit it but I would always beat them at cards and horseshoes.

Our 30 years of association with GARBO has helped to shape our lives and has been a rewarding experience for our entire family, in particular, they gave of their time and treasures to support my mother's 100-birthday party. The men and women of GARBO are very special people and words cannot express our heart-felt gratitude.

We congratulate Garbo and thank God and all of you who support us. We wish each of you long life, good health and prosperity.

June and Larry Plummer

Congratulations to our Garbo Family

Your 30 years of giving to the black community has been commendable. We would like to personally thank each of you for the loving and caring you have given the Hackey family over the years.

We'd like to express how proud we are that my brothers Larry & Greg Plummer are members of the 'Great and Respectable Black Organization' (GARBO).

May God continue to bless you!

Doris & George Hackey

Dorsey*

Someone once said, “a picture says a thousand words.” That was then and this is now... Together, we have added new members, and built a Great and Respectable Black Organization! Beginning with a dance at the Knights of Columbus Hall, we hosted many other dances, picnics, luxury cruises, bus trips and other successful events. As one of the founding members, I would like to congratulate all the members of G.A.R.B.O. on our 30th Anniversary and extend heartfelt thanks to those who supported us over the years!!!

God Bless,
James ("Jimmy") and Dani Moten

**Congratulations GARBO on 30 strong years.
I'm so bless to have been a member for 26 years.**
