THE AFRICAN AMERICAN HISTORICAL AND GENEALOGICAL SOCIETY (AAHGS) - MONTGOMERY COUNTY, MD CHAPTER

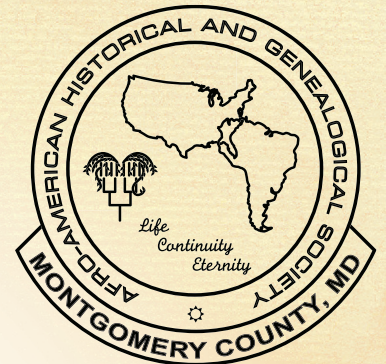

We are a group of family researchers with ancestral roots in Montgomery County.

Our aim is to help each other and you discover the answers to family history questions.

- By creating a network of persons with similar interests
- By assisting members in documenting the history of our ancestors
- By becoming familiar with resources for historical and genealogical research

We hold monthly meetings on the fourth Saturday from 11:00 AM – 1:00 PM at the Lincoln Park Community Center in Rockville. *(except July & August)*

We are dedicated to uncovering the rich African American heritage that continues to contribute to the diversity of the county and the nation.

If you are interested in becoming a member of the group, please contact us.
